

Cleaning routines LofTDet

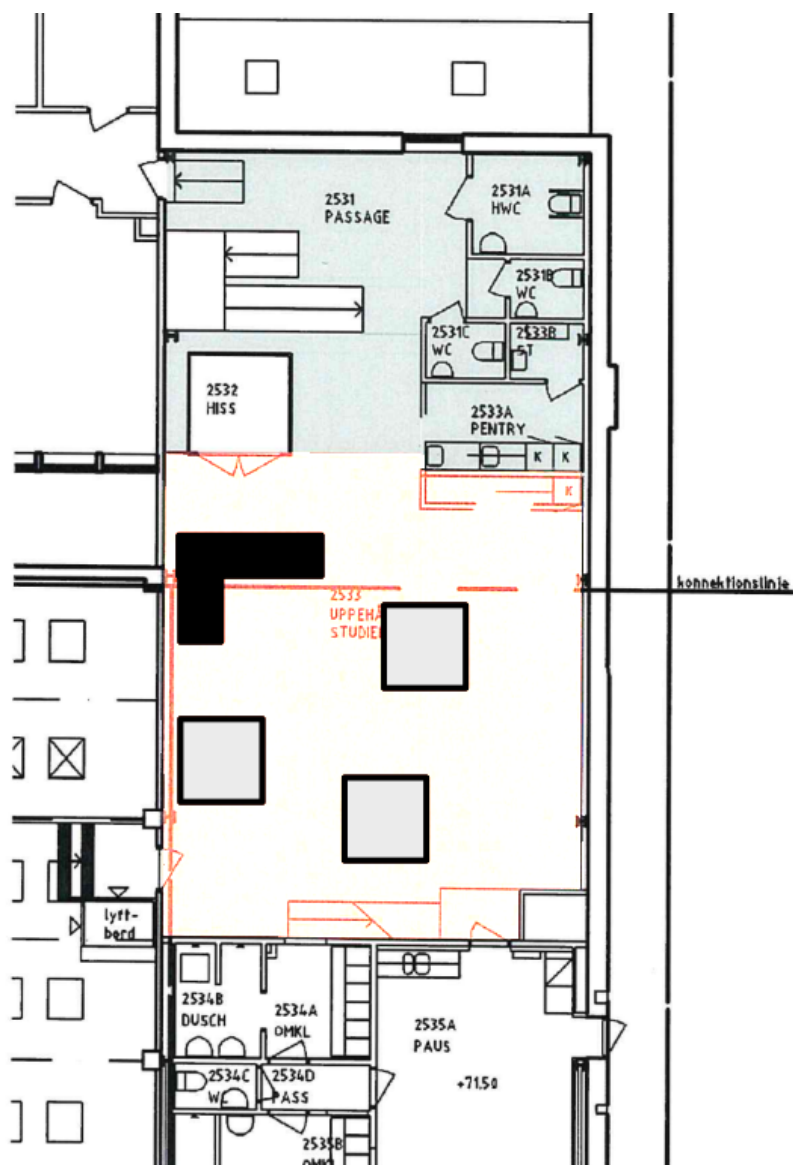

Immediately after the event, the following must be done

- Sweep and scrub the floor, even inside the toilets. Always scrub **thoroughly** after parties
 - Use a recommended amount of green soap, too much or too little leads to sticky floors!
- Wipe off tables and chairs with surface cleaner
- Wipe off the kitchen sink, sink handles and sinks in the toilets with surface cleaner
- Clean the toilets
- Empty the recycling box for bottles and cans
- Empty the garbage, including those in the toilets and those downstairs, and put in new garbage bags
- Sweep and scrub the stairs and corridor downstairs if it has become noticeably dirtier
- Put back tables and chairs as shown
- Close windows
- Turn on the fan before you leave. The button is in the kitchen above the recycling furniture

No traces of alcohol left such as cans, sticky floors and smells!

Cleaning of LofTDet should be done before 8 am the next day.

The board will contact the event responsible if the cleaning is incomplete.
